

Global Leasing

Cost-effective alternatives for leasing point-of-sale equipment.

First Data specializes in providing cost-effective alternatives for leasing "micro-ticket" payment card authorization (POS) equipment. Global Leasing provides competitive leasing services to Agents, Bank partners and ISOs in support of their clients.

With Global Leasing, You Get

- The strength and scale of First Data's industry leading payment enterprise.
- A "one stop shop" global equipment leasing source.
- Superior customer service, cutting edge technology and merchant processing synergies.
- High quality, competitive equipment leasing program designed to attract clients and enhance revenues.

Program Features

First Data is dedicated to the success of your leasing program, no matter how large or small. Providing leasing solutions to over 450,000 clients in the U.S., Canada, U.K. and Puerto Rico, First Data is uniquely positioned to become your global single-source provider for point-of-sale equipment leasing.

Convenient, Rapid Application Process

Whether you are an ISO, Agent or Bank partner, application approval is often provided within 2 hours of submission.

24 Hour Pre-Funding

First Data delivers pre-funding, lease credit scoring, and funding of commenced leases within 24 hours of application approval.

Dedicated Relationship Management Support

Each ISO, Agent or Bank partner is assigned a dedicated Relationship Manager to ensure quality service.

On Site Account Management

First Data offers an on-site Account Manager for large ISOs, Agents and Banks.

Training and Implementation Programs

We'll design, train and implement large processor-based leasing programs.

A Global Leader in Electronic Commerce

First Data powers the global economy by making it easy, fast and secure for people and businesses around the world to buy goods and services using virtually any form of payment. Serving millions of merchant locations and thousands of card issuers, we have the expertise and insight to help you accelerate your business. Put our intelligence to work for you.
