

Payroll Distribution Service

The Challenge

As employers increasingly seek to reduce expenses, the elimination of company printed paper paychecks presents one such opportunity. While direct deposit is a long-standing solution, millions of American employees remain unbanked, or choose not to have their pay deposited into a traditional bank account.

The Solution

With First Data's Payroll Distribution Service, employers can provide employees with the benefits of electronic pay while at the same time reducing administrative costs. Our "pay to the penny" solution includes the Money Network™ Card and Money Network™ Checks, enabling employers to comply with payroll laws while providing a safe and convenient pay alternative for employees.

Features

- 100% electronic pay across your organization even for exception pay, termination pay and employees without bank accounts
- Accounts are FDIC insured
- Cardholder access to America's largest surcharge-free ATM network
- Money Network Checks to help employees pay bills
- Instant-issue network-branded individual accounts
- Optional pay stub delivery tools
- 24/7 bilingual (Spanish) cardholder support

Help Your Business

- Achieve 100% electronic pay across your organization
- Guarantee new employees first pay with the instant-issue cards
- Reduce payroll production and distribution costs
- Ensure prompt disbursement and access to wages for all employees
- Improve payroll security and control
- Deliver uninterrupted pay in the face of a disaster

Help Your Employees

- Immediately access full wages on payday
- Pay for virtually anything without the need for carrying cash
- Access cash at millions of participating ATM and retail locations
- Safely access and manage their money without the risk of incurring non-sufficient funds (NSF) fees
- Cash checks for free at participating locations

Program Options

- Pay Stub Solution – Tools that provide pay stub information electronically to employees via text message, IVR, terminal, Web or e-mail
 - Offers employees easy, on-demand access to pay-stub information
 - Eliminate existing pay stub printing costs while addressing state mandates that require printability
 - Offers flexibility relative to layout and data provided to employees
 - Multiple employee access points
- Employer Termination Pay – Enables you to immediately provide checks to terminated employees, thus meeting differing state rules
- Advanced Reporting – Flexible reporting that gives detailed information on transactions, account status, funding, registration and more
