For your protection, **YOUR TERMINAL WAS LOCKED BEFORE IT WAS SHIPPED.**

To unlock your terminal, contact **FIRST DATA MERCHANT SUPPORT AT 1-877-251-5230** and press Option 1 between 8:00am – 11:00pm EST Monday to Saturday.

Once unlocked, you need to integrate the terminal with your **RESTAURANT MANAGEMENT SYSTEM (RMS).**

If your iWL255 3G terminal loses its connection and will not reconnect **3G**, restart the terminal by pressing the pound (#) + yellow keys followed by the green OK key.

To learn how to connect and use the terminal so that it is ready to be integrated, please refer to the *Quick Setup Guide* available online at firstdata.com/ca/support/pay-at-table.
