

Global Leasing

Get the technology you need
at a payment you'll love.

We Understand

First Data Global Leasing understands what your business needs to thrive, that's why we're committed to providing flexible, low-cost options for leasing point-of-sale (POS) equipment.

Global Leasing

Let Your Investment Help You Grow

With no initial upfront cost, you can start taking credit and debit cards immediately upon receiving your POS system. A low monthly payment means that you can focus on the one true thing that matters: **growing your business.**

Key Advantages

- Convenient way to upgrade to state-of-the-art technology including EMV™ compliant devices, Clover™ Station and Clover™ Mobile
- No down payment
- Low monthly payments
- High approval rates
- Flexible term options to meet your needs

Put Your Money to Work

When you lease your POS equipment from First Data Global Leasing, you preserve your working capital and existing lines of credit for other uses so you are able to:

- Expand your business
- Rejuvenate your website
- Increase advertising and promotional funds
- Replenish low or out-of-stock inventory
- Renovate your storefront or modernize your warehouse
- Refresh your fleet vehicles

The Right Solution for Your Business

With First Data's wide breadth of fast, secure and competitively-priced POS terminals, your business can accept virtually every payment option—including Visa®, MasterCard®, Diners Club International®, American Express®, Discover®, PIN-based and signature debit cards, gift cards and checks.

First Data offers low payment options to help you take advantage of our state-of-the-art POS systems, terminal equipment, and peripherals, including Clover™ Station and Clover™ Mobile.
