ARTICLE I. Relationship Administration

1. Exclusive Provider. You agree that during the initial and any subsequent renewal terms of your Agreement, you will use First Data as your exclusive provider for authorization, processing and settlement of card transactions undertaken in all of your location(s) in Canada, and all other activities necessary for us to perform the functions specified in the Agreement (collectively, the “Services”). Subject to the Card Organization Rules (as defined in section 3), the Services may be performed by our affiliates and/or service providers. In addition, one or more of our affiliates and/or service providers will assist in providing terminals or other equipment, terminal financing and local support functions in connection with the Agreement.

2. Payment Account Requirements. You agree to establish three accounts to enable us to provide the Services to you: (i) your Current Account, as defined in section 2.1, will be where we transfer your Settlement Funds, as defined in section 2.7; (ii) your Settlement Fund Account, as defined in section 2.7, will be where we maintain your Settlement Funds, prior to transferring them to your Current Account; and (iii) your Reserve Account, which you agree to fund, all as described below in section 2.10.

2.1. Current Account. You agree to establish an account at a financial institution of your choosing, to be debited and credited by us for: (i) provisional funding of your card transactions; (ii) your Merchant Processing Rate, as defined in section 20; (iii) your Chargebacks, as defined in section 11; and (iv) any other charges, fines, fees, penalties, payment of current or past due amounts for equipment lease, rental or purchase, Card Organizations fees, costs arising from replacement or damage to equipment, and other amounts

due in connection with an Event of Default, as defined in section 25.3, or other charges assessed by us, the Card Organizations, network operators and others as pertains to this Agreement (your “Current Account”). Establishing your Current Account requires that you provide us with a cancelled cheque (or letter from your financial institution) and take all steps required by your financial institution to allow us to debit/credit your Current Account on a recurring basis, for the purposes set forth below (the “Authorization”), including consenting to the disclosure of any relevant information contained in your Agreement for purposes of obtaining the Authorization.

2.2. Pre-Authorization. Your financial institution’s treatment of each debit shall be the same as if you had issued a cheque authorizing it to pay as indicated and to debit the amount specified to your Current Account. You confirm that this means, your financial institution is not required to verify that a pre-authorized debit has been issued in accordance with your instructions or that some pre-condition to payment has been met or satisfied.

2.3. Card Organizations. You agree that if any payment is dishonoured by your financial institution, for any reason, we shall issue another debit in substitution for the dishonoured debit until such debit is honoured. You acknowledge that this authorization to debit/credit your Current Account is provided for our benefit and your financial institution and is provided in consideration of your financial institution agreeing to process debits against your Current Account in accordance with the rules of the Card Organizations. You will be charged a fee for each credit and debit, which cannot be processed (an “NSF Fee” as described on your Form), and all subsequent funding may be suspended until you notify First Data that credits and debits can be processed or you provide a new Authorization (from your then current financial institution). Your financial institution must be able to process and accept credits and debits electronically.

2.4. Notice For Non-recurring Debits. You waive the right to receive any notice, written or otherwise, from us of the amount to be debited and the date(s) on which such debits are to be processed, as well as notice of any and all future changes to the amounts or payment dates for regular recurring debits. However, for debits other than regular recurring debits and/or one-time payments owing in connection with this Agreement, we will obtain your authorization prior to initiating any such debit.

2.5. Authorization Revocation. You may cancel your Authorization at any time by providing written notice to First Data, which shall be effective five business days [a day, other than Saturday or Sunday, on which banks in Ontario are generally open for business (a “Business Day”)] after receipt. To obtain a sample cancellation form, or for more information on the right to cancel this Authorization, you understand that you may contact your financial institution or visit www.cdnnpay.ca. This Authorization applies only to the method of payment, however you agree that revocation of this Authorization is considered an Event of Default as set forth in section 25.3. This Authorization may be discontinued by us at any time and without notice to you. You confirm that the debits authorized hereunder are for business purposes.

2.6. Merchant Recourse. You can contact us at the address or phone number below, to make inquiries, obtain information or seek any recourse rights. You understand that you have recourse rights if any debit does not comply with this Authorization. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with this Authorization. To obtain more information on your recourse rights, contact your financial institution or visit www.cdnnpay.ca.

2.7. Settlement Funds. Subject to our rights under this Agreement, all settlement funds received from Card Organizations and owing to you pursuant to this Agreement (the “Settlement Funds”) will be held by us until transferred to your Current Account in accordance with Section 10 (the “Settlement Funds Account”). Such funds will not constitute a deposit with us, will bear no interest, charges or fees, nor will be eligible for insurance with Canada Deposit Insurance Corporation.

2.8. Entitlement to Funds. You are entitled to funds in your Settlement Funds Account, once we transfer them to your Current Account. As permitted by law, we may, from time to time combine, consolidate or merge any or all of your funds and other accounts; and set off, apply or transfer any and all such sums standing to satisfy any debt or liability that you owe us, including any debt or liability incurred to effect any required currency conversions.

2.9. Settlement Funds Information and Service Providers. The Servicers may record or store information related to your Settlement Funds and Settlement Funds Account in any form or by any means as we see fit and

are under no obligation to retain original documents, instruments or vouchers other than those belonging to you, which you have entrusted to us pursuant to the provisions of the Services contemplated in your Agreement. We may use services provided by an electronic data processing service bureau/organization in connection with keeping any Settlement Funds Account or Reserve Account.

2.10. Reserve Account. You understand that we may require you to establish a reserve account based upon you committing an Event of Default or upon receipt of your notice of termination of this Agreement (the "Reserve Account"). You understand that the amount you will be required to fund in this Reserve Account will be determined based on factors such as: (i) the amounts of previous settlements, Chargebacks, assessments and fines/penalties; (ii) the frequency and amounts of credits and adjustments; (iii) the value of any goods and/or services billed in advance of fulfillment; and (iv) the amount of any fees or discounts due along with any current or anticipated Card Organizations fees or fines. Upon receipt of notice from us, you agree to fund the Reserve Account as set forth in your notice; except, in instances of an Event of Default, you agree to fully fund said Reserve Account immediately. You agree to fund the Reserve Account through any combination of: (i) debits to your Settlement Funds Account and Current Account (and any other accounts held by us or our affiliates); (ii) deductions or off sets to any payments otherwise due to you; or (iii) your delivery to us of a letter of credit, issued or established by a financial institution acceptable to us. In the event you fail to fund the Reserve Account, we may fund it as set forth in subsections (i) and (ii) above. If funds in your Reserve Account are not sufficient to cover Chargebacks, adjustments, Merchant Processing Rate and other charges due from you, or if we have released funds in your Reserve Account, you agree to promptly pay us such sums upon request. In the event of termination of this Agreement, you agree to immediately establish a Reserve Account which will be held by the Bank for the greater of 10 months after termination of your Agreement or for such longer period of time consistent with our liability for card transactions in accordance with the Card Organization Rules, defined in section 3. Amounts maintained in the Reserve Account may bear interest. We may, to the extent permitted by law and without notice, from time to time, set off, apply or transfer any and all sums standing to the credit of the Reserve Account in or towards the satisfaction of any indebtedness or liability you may incur to us under your Agreement.

2.11. Reserve Account Security. You irrevocably grant us a lien and security in and to any of your funds in the Reserve Account that we may require that you establish and fund as otherwise set forth in your Agreement. To this end, in addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, we are hereby authorized by you, at any time, and from time to time, without demand, but upon written notice to you, or to any other person (any such demand being hereby expressly waived), to set off and to appropriate and to apply any and all such funds against and on account of your obligations to us and our affiliates under your Agreement, whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured.

2.12. Special Reserve Account Levels. You agree that upon notice of your intent to terminate your Agreement, from the date of your termination notice through the actual date of termination and thereafter, you will maintain at a minimum, an amount equal to the sum of: (i) the total dollar amount of your Chargebacks; (ii) any reserves or letters of credit that you have on deposit with us; and (iii) our Merchant Processing Rate during the previous six months of the date of your termination notice, with such amounts to be held in your Reserve Account in accordance with your Agreement.

ARTICLE II. Card Transactions

The following sections summarize the procedures required for you to accept credit and debit cards issued by Visa, MasterCard, Interac, and any other Card

Organization payment cards that you accept for payment of your goods and services.

7. Card Identification. Legitimate Card Organizations payment cards have unique visual characteristics, account numbers and anti-fraud/counterfeit measures that you agree to become familiar with. You agree to train all your employees on procedures for examining and identifying questionable payment cards. You are responsible for reviewing Card Organizations' materials published for merchants and familiarizing your employees on characteristics of legitimate cards and strategies used when presenting fraudulent or counterfeit cards. The following are general guidelines for identifying each Card Organizations' cards. We do not warrant the accuracy or completeness of these guidelines and you agree that the Card Organizations materials are the only current and comprehensive guide.

7.1. MasterCard Credit and Debit. MasterCard cards will display the MasterCard logo (two interlocking circles) on the front of the card. The 3-dimensional hologram of the globe will appear on the front or back of all MasterCard cards. MasterCard account numbers may be sixteen digits long and always begin with the number five (5). Where Diners Club cards have been reissued with the MasterCard mark, they must be processed as MasterCard transactions.

7.2. Visa Credit and Debit. Visa cards have the Visa brand mark on the top left, top right or bottom right side of the card. The 3-dimensional hologram of the Visa Dove can appear anywhere on the front of the card. Visa account numbers may be sixteen digits long and always begin with the number four (4). The first four digits of the account number must be identical to and printed on the card directly below the embossed number.

7.3. Debit. Interac (and other) Card Organizations debit cards are cards issued by Canadian financial institutions enabling customers to pay for goods and services by debiting money directly from their account(s) using the Equipment with personal identification number ("PIN") verification. To complete debit transactions, you agree to: (i) enter transaction information into the Equipment; (ii) verify the amount of the transaction and ask the Cardholder to enter his/her PIN (without assistance), using a PIN pad; (iii) act on the instructions displayed by the terminal (an authorization number, a decline, a message to "try again" or similar instructions); and (iv) provide Cardholder with a transaction record, regardless of whether the transaction was approved or declined.

8. Card Acceptance and Authorization. You agree to accept credit and debit cards issued by members of the Card Organizations identified on your Form. When a Cardholder or authorized user presents a credit or debit card for payment, you agree that you will perform the following tasks:

8.1. Fair Acceptance. You agree to: (i) sell your goods and/or services at the ticketed or posted price; (ii) not impose fees or special conditions not required or allowed by the Card Organizations Rules (including minimum or maximum transaction amounts); and (iii) not offer a discount unless clearly disclosed as a discount from the price available for all other means of payment.

8.2. Card Examination. You agree to swipe or imprint the card, or where applicable, insert the chip card into a chip card reader, only to allow Cardholders to purchase your goods and/or services. You agree to: (i) inspect the card signature panel for signs of tampering or alteration (not applicable to chip card transactions); (ii) verify that the signature on the card matches the transaction record (not applicable to chip card transactions); (iii) not require Cardholders to supply Personal Information (e.g., home/business address or driver license number) as a condition for completing the transaction, unless instructed during the authorization process; (iv) not allow an individual, who is not the Cardholder, to use the card for purchases; and (v) not allow the use of a card to submit a transaction to refinance or transfer a previous debt or to pay for a dishonoured cheque.

8.3. Transaction Authorization. You agree to obtain an authorization approval code ("AA Code") for all transactions. You agree that failure to obtain an AA Code for a sales transaction may result in a Chargeback and/or the termination of your Agreement. AA Codes can be obtained through your Equipment, the voice response unit ("VRU") or the interactive voice response ("IVR") system. Any fees that may be related to authorizations will be charged as a "Request for Authorization Approval Code," whether or not the transaction is approved. You understand that an AA Code only indicates the availability of credit on an account at the time the authorization is requested and does not warrant that the person presenting the card is the rightful Cardholder, nor is it a promise or guarantee that you will not be subject to a Chargeback or debit.

8.4. Transaction Referral. You agree that if you receive a referral response to an attempted authorization, you will not attempt another authorization on the same card through your Equipment. You further agree that you are responsible for all Card Organizations assessed fines, fees or termination of your Agreement for actions related (but not limited) to: (i) failure to obtain an AA Code; (ii) submitting a transaction after receiving a decline (even if a subsequent Authorization attempt results in an AA Code); or (iii) attempting to submit multiple/partial transactions or multiple-authorizations and transaction(s).

8.5. Manual Card Acceptance. If accepting card transactions manually or your Equipment is unable to read a card that you swipe or you do not have chip card enabled Equipment, you agree that you will obtain authorization from us for every purchase that exceeds your merchant floor limit (which we will provide you from time to time), using transaction forms supplied or approved by us. You understand that unembossed cards cannot be authorized manually and if accepted for payment, expose you to a higher risk of Chargeback liability. You agree that, if you choose to process card transactions manually, you must: (i) imprint the embossed information from the card and the merchant plate (your name and merchant number) onto the transaction record; (ii) verify that the signature on the transaction record matches the signature on the back of the card; (iii) provide a transaction record to the Cardholder; (iv) keep a copy of the transaction record for a minimum of 18 months (longer if required by local regulations); and (v) issue credit vouchers for refunds (if Cardholder is entitled) where the original purchase was made with a card.

8.6. Issuing Credit Vouchers. You agree that you are responsible for issuing credit vouchers to cover any refund, price adjustment or other money adjustment due to the Cardholder (other than any involuntary refund required by applicable law). You further agree that you: (i) will not return cash if a card was used in the original purchase; (ii) will process each refund or adjustment as specified in the applicable Card Organization Rules; (iii) may establish a policy limiting refunds or acceptance of returned goods, provided that it follows the refund/return procedures established by each Card Organization including the proper disclosure of such policy; and (iv) will not accept money from a Cardholder to effect a deposit to the Cardholder's account.

8.7. Suspect Transactions. If the appearance of the card being presented or the behaviour of the person presenting it is suspicious in nature, you agree to immediately call the voice authorization centre (1-800-370-0466) and ask to speak to a code 10 operator for a "Code 10 Authorization." You agree to answer all questions and follow operator's instructions. If you swipe cards, you agree to confirm that the account number displayed on the Equipment and transaction record matches the number on the card. You agree that if the numbers do not match, you will not accept the Card for payment, EVEN THOUGH AN AUTHORIZATION CODE FOR THE MAGNETICALLY SWIPED CARD NUMBER MAY BE RECEIVED.

9. Submission/Deposit of Card Transactions. You agree that you shall present for payment only valid charges that arise from transactions between you and bona fide Cardholders. You agree to enter each sales transaction into your Equipment (unless your Equipment is not working), conduct, at least once a day, an end-of-day balance of the sales transactions for each piece of Equipment and electronically deliver transaction records for all Card transactions, to be processed and settled, prior to the deadlines which you will be advised of from time to time.

10. Transaction Settlement. You understand that we will only settle your transactions as specified in your operating procedures guide (the "Operating Guide"), which is provided as part of your First Data welcome kit. After presentment of your transactions, we will initiate an electronic funds transfer of applicable Settlement Funds from your Settlement Funds Account, to your Current Account. You understand and agree that while settlement will generally occur within two to three Business Days after the Business Day that you presented the transaction, we will not be liable for any delays in receipt of funds or errors in debit and credit entries caused by third parties, including any Card Organization or financial institution, but excluding our service providers and affiliates.

10.1. Settlement Calculation. You agree that we will generally settle card transactions based on gross sales, less credits/refunds, adjustments, the applicable Merchant Processing Rate when due, Chargebacks and any other amounts that you owe us.

10.2. Provisional Debit/Credit. You agree that all deposits, credits (and other payments) to your Settlement Funds Account and to your Current

Account are subject to our final audit, Chargebacks and Card Organizations imposed assessments, fees and fines. You agree that we may debit/credit your Settlement Funds Account, Current Account and/or Reserve Accounts for any deficiencies, overages, fees, Merchant Processing Rate and pending Chargebacks and any pending Card Organizations assessments, fees and fines, including any pending PCI related fees, fines and/or assessments. We may elect to invoice you for any such amounts, net due 30 days after the invoice date or on such earlier date as may be specified.

10.3. Merchant Receivables. Upon our payment of all amounts owed to you, in connection with the processing of a card transaction, you agree to assign to us (and grant us a security interest in) all of your rights, title and interest in and to the amounts or receivables owed from the applicable Card Organizations or network organization, and further agree that we have the sole right to receive payment under such receivables. You agree to represent and warrant that you have the only claim, demand, defence or set off against such receivable except as authorized in writing by us. You further represent and warrant that you have no knowledge, nor have received any information that would affect the collection of the amount involved from the Cardholder.

11. Transaction Chargebacks. A Chargeback is a disputed card transaction that is returned to us by a card issuer. Upon notice of a dispute, you agree that it is your responsibility to resolve it directly with the Cardholder. If we receive a Chargeback notice, we will debit your Settlement Funds Account, Current Account, or Reserve Account for the amount of the Chargeback. In some cases, a card issuer may request a copy of the transaction record prior to initiating a Chargeback. We will forward these requests to you and deliver your response to the card issuer. You understand that you must respond to these requests within the time frames and manner stated. Due to the short time requirements imposed by the Card Organizations, your failure to timely respond will be communicated to the card issuer and may result in a Chargeback(s) as well as Card Organizations related costs or fees. You agree that comprehensive Chargeback procedures are published by each Card Organization and the following is intended to serve only as a general guideline for compliance:

11.1. Document Request Procedures. To address a card issuer's transaction record request, you should: (i) make a legible copy of the transaction record, centered on a letter size sheet of paper (one transaction record per page); (ii) write the case number on the copy; (iii) include copies of hotel folios, car rental agreements etc. that may be applicable to the disputed transaction; (iv) include a copy of the credit voucher, if applicable; and (v) fax or mail the copies to the number/address on the request. ARTICLE V. Service Fees and Charges

20. Merchant Processing Rates. You agree to pay the fees and charges set forth on your Form and any alternative price schedule as agreed to by the parties. You understand that the merchant processing fees and charges that you owe us for the Services that we provide to you (the "Merchant Processing Rate") are calculated one of two ways. Under both methods, you understand that your Merchant Processing Rate is exclusive of any applicable GST, VAT and other federal and provincial sales, use, social service, harmonized and similar taxes, which are your sole responsibility. Regardless of how your Merchant Processing Rate is calculated, such rate is composed of the following three components: (i) our "Processing Fee," which is based on risk factors like your representations of your method for doing business, anticipated transaction amount(s), expected annual transaction volume and other factors; (ii) "Card Organizations Interchange Rates," based on type of card and card program (e.g., "MasterCard Electronic – Consumer Programs"); and (iii) "Card Organizations and Other Fees and Assessments," which include cross-border fees and United States dollars conversion costs.

20.1. Merchant Processing Rate Calculation Method 1: For each transaction, you are billed separately for each of the three cost components listed in section 20.

20.2. Merchant Processing Rate Calculation Method 2: A standard Merchant Processing Rate is developed specifically for you based on a combination of the three cost components listed in section 20 and our assumption that your transactions will qualify for certain reduced interchange levels set by the applicable Card Organizations. If a transaction fails to qualify for such reduced interchange levels, then the applicable Card Organizations will downgrade the transaction and we will process such transaction at the higher applicable interchange level. In this event, you understand that you will be subject to interchange downgrade fees (also referred to as Interchange adjustment/Bill-Back/Interchange differential) and any applicable Non-Qualified Surcharge (as set forth on your Form), and agree to accept said fees and Surcharge which will be billed back to you and reflected on your monthly statement.

20.3. Merchant Processing Rate Adjustments. Subject to your rights under section 25.1, we may adjust your Merchant Processing Rate: (i) if your actual annual Visa and/or MasterCard Credit volume is lower or the average Visa and/or MasterCard Credit transaction size is higher by 15% or more, or if you materially alter your method of doing business (e.g., there is a significant increase in CNP transactions or a change in the merchant category code ("MCC")); and (ii) to reflect increases or decreases in Card Organizations

Interchange Rates or Card Organizations and Other Fees and Assessments that we pass through to you.

You agree to pay said fair compensation to us within 15 days after your receipt of our calculation of the amounts due.

22.1. Merchants With Annual Card Volume Less Than Or Equal To \$5,000,000 (this threshold is subject to change at our discretion). You agree to pay us \$500 per location as well as the fees set forth on your Form in the event of early termination of this Agreement.

22.2. Merchants With Annual Card Volume Greater Than \$5,000,000. You agree to pay us an early termination fee equal to 80% of the product of: (i) the average net monthly Merchant Processing Rate, as calculated in section 22.3; multiplied by (ii) the number of months, including any pro rata portion of a month, then remaining in the initial term or any renewal term, as applicable.

22.3. Average Net Merchant Processing Rate Calculation. The average net monthly Merchant Processing Rate shall equal one-twelfth of the gross Merchant Processing Rate payable pursuant to your Form, less applicable interchange fees and assessments due pursuant to this Agreement during the 12 months immediately preceding the date on which: (i) First Data received notice from you of your intent to terminate this Agreement early; or (ii) we learned of your early termination in violation of this Agreement; or (iii) we terminate this Agreement early pursuant to section 25.3 (whichever produces the higher amount). If this Agreement has been in place less than 12 months, the estimated average net monthly Merchant Processing Rate shall equal the aggregate gross fees paid hereunder by you, divided by the number of months this Agreement was effective.

If we direct you to retain a card, you must call First Data's Authorization Center and follow the instructions we provide. 47.5. You are responsible for paying all refunds submitted to us on your merchant account.

47.6. We assume no responsibility for verifying any credits or refunds. You are responsible to secure your terminals and to institute appropriate control to prevent employees or others from submitting refunds that do not reflect valid returns or reimbursements of prior transactions.

50. Mail and Telephone Order Sales. You must comply with the following procedures for Mail and Telephone Order Sales:

1. For each mail or telephone order sale, you must transmit the CID with the authorization request. If you accept a card sale without receiving a prior authorization approval and without transmitting the CID in the authorization request, the sale may be subject to Chargeback to you.
2. For each sale, you must verify the name and billing address of the Cardholder using the electronic Address Verification Service. Completing an Address Verification is not a guarantee against possible Disputes, only a tool by which to reduce the risk or occurrence of fraudulent activity.
3. You must obtain the following information from the Cardholder for each mail or telephone order sale: Cardholder name, card account number, card expiration date, billing address and shipping address. You must retain the information along with the shipping date for the document retention period noted in this document. You shall provide the shipping date to the Cardholder at the time of each telephone order sale and upon request for each mail order sale.
4. You must not transmit Sales Drafts to us for merchandise or services ordered by a Cardholder until the merchandise or services have been shipped, delivered or furnished to the Cardholder; except that you may accept a Discover Network Card for a deposit on a purchase of merchandise or services and you may transmit the Sales Drafts relating to such deposit prior to the time of shipment or delivery of the merchandise or services purchased in such sale.

If a Cardholder takes delivery of merchandise ordered by mail or telephone at your retail location, you must obtain an imprint of the Discover Network Card and the Cardholder's signature on the Sales Drafts.

51. Card Sales over the Internet. You must obtain our prior approval before accepting any Discover Network Card transactions over the Internet and you must comply with the requirements as noted below:

1. You shall accept only those Internet Discover Network Card transactions that are encrypted in accordance with our designated protocol. We may, at our discretion, withhold settlement until security standards can be verified. However, our designated protocol, including any specifications with respect to data encryption, may change at any time upon thirty (30) days advance written notice. You may not accept Discover Network Card Account Numbers through Electronic Mail over the Internet.

3. Contact First Data to advise of the closure of locations and/or liquidation of your establishment.

In a delayed delivery Transaction where a Cardholder makes a deposit toward the full amount of the sale, you should execute two separate Sales Drafts, the first for a deposit and the second for payment of the balance upon delivery of the merchandise or the performance of the services. You must label one Sales Draft "deposit" and the other "balance," as appropriate. You must obtain the "deposit" authorization before submitting the sales data for the "deposit" or the "balance" to us. If delivery of the merchandise or service purchased will occur more than ninety (90) calendar days after the "deposit" authorization, you must obtain a subsequent authorization for the "balance." In addition, you must complete Address Verification at the time of the "balance" authorization, and you must obtain proof of delivery upon delivery of the services/merchandise purchased. You may not submit sales data relating to the "balance" to us for processing until the merchandise/service purchased has been completely delivered.

54. Recurring Transaction and Preauthorized Order Regulations. If you process recurring Transactions and charge a Cardholder's account periodically for recurring goods or services (e.g., monthly insurance premiums, yearly subscriptions, annual membership fees, etc.), the Cardholder shall complete and deliver to you a Cardholder approval for such goods or services to be charged to his account. The approval must at least specify the Cardholder's name, address, account number and expiration date, the Transaction amounts, the timing or frequency of recurring charges and the duration of time for which the Cardholder's permission is granted. The approval must also include the total amount of recurring charges to be billed to the Cardholder's account, including taxes and tips and your Merchant Number.

54.1. If the recurring Transaction is renewed, the Cardholder must complete and deliver to you a subsequent written request for the continuation of such goods or services to be charged to the Cardholder's account. You may not complete a recurring Transaction after receiving a cancellation notice from the Cardholder or Issuer or after a request for authorization has been denied.

54.2. If we or you have terminated your Merchant Agreement, you may not submit authorization requests or sales data for recurring Transactions that are due after the termination date of your Merchant Agreement.

54.3. You must obtain an authorization for each Transaction and write "Recurring Transaction" on the Sales Draft in lieu of the Cardholder's signature. A positive authorization response for one recurring Transaction Card Sale is not a guarantee that any future recurring authorization request will be approved or paid.

54.4. For all recurring Transactions, you must submit the 3 digit Card Validation Code number with the first authorization request, but not subsequent authorization requests. Also, the Sales Draft must include a general description of the transaction, your merchant name and a toll-free customer service number that the Cardholder may call to obtain customer assistance from you or to cancel the written approval for the recurring transaction.

54.5. All Recurring Transactions or Preauthorized Orders may not include partial payments for goods or services purchased in a single Transaction.

54.6. You may not impose a finance charge in connection with a Recurring Transaction or Preauthorized Order.

54.7. If you process recurring payment Transactions, the Recurring Payment Indicator must be included in each authorization request. Penalties can be assessed for failure to use the Recurring Payment Indicator.

4. No minimum purchase is required for you to offer Cash Over to a Cardholder provided that some portion of the total card sale must be attributable to the purchase of goods or services.
5. The maximum amount of cash that you may issue as Cash Over is \$100.00.

(Cash Over may not be available in certain markets. Contact us for further information.)

56. Cash Advances and Cash Equivalent. 57. Merchants in the Lodging Industry. Provided below are our requirements for Merchants in the lodging industry, who take reservations and require Cardholders to pay advance deposits. Failure to comply may result in Chargeback. TERMS APPLICABLE ONLY TO TELECHECK'S PRE-AUTHORIZED DEBIT AUTHORIZATION PLAN

80. Pre-Authorized Debit Authorization Plan. The provisions of this Section 80 shall be applicable if Subscriber has enrolled in TeleCheck's Pre-Authorized Debit Authorization Plan (as indicated on the face of this Agreement) for all payments and other amounts due to TeleCheck. Subscriber acknowledges that this authorization is provided for the benefit of TeleCheck and Subscriber's bank or other financial institution listed on the face of this Agreement ("**Bank**") and is provided in consideration of Bank's agreeing to process debits against Subscriber's account in accordance with the rules of the Canadian Payments Association. Subscriber consents to the disclosure of any personal information contained in this Authorization to Bank for the purpose of TeleCheck's pre-authorized debit plan. Subscriber agrees to execute any additional documentation which may be requested by TeleCheck in connection with this Authorization. The debits authorized hereunder are for business purposes.

- (a) Subscriber hereby authorizes TeleCheck to draw on the account listed on the face of this Agreement (the "Account") for the purpose of paying all regularly scheduled payments and all other amounts owing by Subscriber to TeleCheck pursuant this Agreement, including without limitation, late charges, charge backs or rejected and reassigned warranty items and all other amounts (including interest) owing in the event of a default by Subscriber under the Agreement. This Authorization applies only to the method of payment and does not have any bearing on the contractual obligations between Subscriber and TeleCheck under the Agreement.

- (c) Bank's treatment of each debit shall be the same as if Subscriber had issued a cheque authorizing Bank to pay as indicated and to debit the amount specified to the Account. Subscriber understands this to mean, in part, that Bank is not required to verify that a pre-authorized debit has been issued in accordance with Subscriber's instructions or that some pre-condition to payment has been met or satisfied. Subscriber further understands that it may only seek reimbursement of amounts paid to TeleCheck under this Authorization if (i) such amounts were not drawn in accordance with this Authorization or (ii) the amounts were paid after cancellation of this Authorization. To dispute a debit for one of these three reasons, Subscriber agrees to contact its Bank for instructions on how to proceed.
- (d) This Authorization may be cancelled at any time by written notice by Subscriber to TeleCheck which notice shall be effective 30 days after receipt. Any such cancellation shall not terminate the Agreement, but may result in an increase in the Processing Fee. This Authorization may be discontinued at any time by TeleCheck without notice. Delivery of this Authorization to TeleCheck constitutes delivery by Subscriber to Bank.
- (e) Subscriber hereby waives its right to receive any notice, written or otherwise, from TeleCheck of the amount to be debited and the date(s) on which such debits are to be processed as required by the rules of the Canadian Payments Association, however TeleCheck will provide Subscriber with prior notice of all amounts to be debited prior to the processing of such debit. A fee of \$50.00 per hour plus the cost of parts will be charged for any damage to the equipment covered by maintenance beyond ordinary wear and tear. Subscriber shall not permit persons other than authorized representatives of TeleCheck to adjust, maintain, program or repair any equipment. Subscriber shall bear the entire risk of loss, theft or damage of or to equipment whether or not owned by Subscriber. TeleCheck does not guarantee the accuracy or completeness of the information provided to Subscriber. Subscriber agrees that there shall be no payment to Subscriber by TeleCheck for any loss from transactions processed through the verification service. however, that TeleCheck's liability will be limited by the Warranty Maximum and warranty requirements and shall not exceed the amount of the cheque. Subscriber's sole and exclusive remedy for breach of warranty shall be the right to require TeleCheck to purchase such cheque subject to the terms and conditions contained in this Agreement. Subscriber represents and warrants with respect to each warranty transaction submitted to TeleCheck for processing under this Agreement that:

- (a) The cheque is a first party cheque drawn on a Canadian or United States financial institution, completely and properly filled out, and made payable to Subscriber. Box is used or an address is not imprinted by the cheque manufacturer, a physical address description is written on the cheque according to the Operational Procedures;
- (b) Subscriber made an inquiry to TeleCheck in strict accordance with the Operational Procedures and obtained a single TeleCheck Approval Code. The transaction was not performed in an attempt to avoid the warranty requirements or Warranty Maximum (as more fully described in Section 87(f)), including through split sales;
- (c) The transaction represents an obligation of Consumer at the point of sale (no phone, mail or internet orders) for goods sold or rented or services rendered for the price of such goods or services, and is not a transaction for credit, cash or payment on an account, debt or cheque already due Subscriber;
- (d) The signature in the signature block on the cheque is not substantially different from the name imprinted on the cheque;
- (e) The date of the cheque accurately coincides within one calendar day of (i) the date of the inquiry call to TeleCheck, and (ii) the date the transaction actually occurred. (Cheques may not pre-date or post-date by more than one calendar day the date of the inquiry call and the transaction date.);
- (f) Subscriber has no reason to question or have notice of any fact, circumstance or defense which would impair the validity or collectibility of Consumer's obligation or relieve Consumer from liability;
- (g) The TeleCheck Subscriber Number, Consumer's telephone number (including area code), identification type and number and TeleCheck Approval Code are printed or written on the cheque;
- (h) The amount shown in words and figures on the cheque is: (i) less than or equal to the amount entered into the TeleCheck system; or (ii) no more than \$1.00 over the amount entered into the TeleCheck system;
- (i) The cheque has been deposited in Subscriber's Account and received by TeleCheck for purchase within 30 days of the date of the cheque. Such cheque has been sent directly from Subscriber's financial institution after being presented for payment only once (no re-presentments shall be allowed, whether paper or electronic); and
- (j) The transaction is not subject to any stop payment due to a dispute or set-off.

85. Point of Sale Notices; Return Item Fees. Subscriber agrees to follow procedures and post and/or provide at TeleCheck's direction any notices (including any updates to such notices) which in TeleCheck's opinion may be required (a) inform cheque-writers about, and obtain their consent to, TeleCheck's collection, use, disclosure and storage of their personal information, and (b) for TeleCheck to process the cheque and/or charge the Return Item Fee. Subscriber also agrees (i) to assess a Return Item Fee on all Return Items, which fee shall be clearly posted and brought to the attention of the Consumer, and (ii) that TeleCheck shall be entitled to collect and retain the Return Item Fee from Consumer.

86. Assignment of Cheques. By the execution of this Agreement, Subscriber ASSIGNS, TRANSFERS AND CONVEYS to TeleCheck all of Subscriber's rights, title and interest in any cheque submitted to TeleCheck for coverage under this Agreement. Subscriber shall, at TeleCheck's request, in TeleCheck's discretion, endorse such cheque and take any action reasonably deemed necessary by TeleCheck to aid in the enforcement of TeleCheck's rights hereunder.

87. Reassignment. TeleCheck may reassign to Subscriber any cheque purchased by TeleCheck pursuant to the warranty service program provisions of this Agreement in any of the following circumstances:

- (a) The goods or services, in whole or in part, for which the cheque was issued have been returned to Subscriber, have not been delivered by

Subscriber or are claimed by Consumer to have been unsatisfactory or are subject to any stop payment due to a dispute or set-off;

- (b) Subscriber has received full or partial payment or security in any form to secure payment of the cheque, or the goods or services for which the cheque was issued were initially delivered on credit or under a lease;
- (c) The transaction for which the cheque was submitted is for any reason illegal, void or invalid; or purchase by or transfer to TeleCheck of the cheque is not permitted by applicable law; or a court of law determines that the cheque is, in whole or in part, not due and payable by Consumer, unless such determination results from Consumer's bankruptcy proceeding;
- (d) Any of the representations made by Subscriber as set forth in Section 84 are or become false or inaccurate;
- (e) Subscriber failed to comply with this Agreement;
- (f) Subscriber, or any of its owners, agents or employees: (i) materially altered either the cheque; or (ii) accepted the cheque with reason to know that it was likely to be dishonoured or that the identification used was forged, altered or did not belong to Consumer; or (iii) processed the transaction in a manner which was an attempt to avoid the warranty requirements or Warranty Maximum. "Knowledge" shall be presumed in the presence of facts or circumstances which, if known, would cause a non-subscribing merchant, using commercially reasonable judgment, to independently refuse to accept a cheque. "Knowledge" is also presumed where there is evidence of Subscriber's attempt to avoid warranty limitations through manipulation of transactions, including, but not limited to the splitting of a single transaction into smaller components or resubmission of a previously denied transaction; or
- (g) Subscriber received notice that Consumer filed bankruptcy and Subscriber failed to notify TeleCheck of the bankruptcy within 3 business days of Subscriber's receipt of such notice.

87.1. Subscriber shall immediately notify TeleCheck upon the happening of any of the above circumstances. If the cheque is reassigned as provided herein, TeleCheck may debit Subscriber's Account for the amount paid by TeleCheck for the cheque in accordance with the Pre-Authorized Debit Form signed by Subscriber, or upon request, Subscriber shall remit the amount of the cheque to TeleCheck. Upon reassignment of a cheque, TeleCheck shall have no further liability to Subscriber on such cheque. Following termination of this Agreement, Subscriber shall continue to bear total responsibility for any reassignments, chargebacks and adjustments made under this Section 87.

88. "Goodwill" of a Return. TeleCheck, in its sole discretion, may voluntarily elect not to reassign to Subscriber a specific non-compliance Item which fails to comply with the warranty requirements set forth in Section 84. Such discretionary election by TeleCheck shall not (a) constitute a course of dealing or a waiver of TeleCheck's right to reassign any other Return Item, or (b) relate to any other past or subsequent Return Item, or (c) act as a waiver of TeleCheck's right to decline to pay any other Return Item.

Subscriber agrees promptly to bring to TeleCheck's attention any unauthorized use of the TeleCheck Marks by third parties of which Subscriber becomes aware. Subscriber shall use the TeleCheck Marks pursuant to any guidelines provided by TeleCheck, as may be amended from time to time. Upon written notice from TeleCheck to Subscriber, Subscriber shall immediately undertake the defense of such Claim by representatives of its own choosing, subject to TeleCheck's reasonable approval; provided, however, that TeleCheck shall have the right to control and undertake such defense by representatives of its own choosing, but at Subscriber's cost and expense, if the Claim arises out of patent, trademark, or other intellectual property rights or laws.

Any notice or other communication required or permitted to be given hereunder shall be in writing, and shall be delivered by facsimile transmission, overnight courier or certified or registered mail (postage prepaid return receipt requested) addressed or transmitted to the party to be notified at such party's address or number as provided on the face of this Agreement, or at such party's last known address or number. This Agreement constitutes the entire agreement between the parties concerning subject matter hereof and supersedes all prior and contemporaneous understandings, representations and agreements in relation to its subject matter. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE PROVINCE OF ONTARIO, WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

105. Severability and Interpretation. If any provision, in whole or in part, of this Agreement is held invalid or unenforceable for any reason, the invalidity shall not affect the validity of the remaining provisions of this Agreement, and the parties shall substitute for the invalid provision a valid provision which most closely approximates the intent and economic effect of the invalid provision.
