

Recognize. Reward. Incentivize.

Everywhere Reward™

by  Money Network.

As companies look for ways to nurture employee performance or drive ongoing loyalty with customers, it is essential that organizations have innovative and compelling solutions to drive desired behavior.

With Everywhere Reward by Money Network, you can recognize employees or customers with flexible solutions that motivate and provide recipient choice.

65% Of employees want gift cards as a reward or gift.*

44% Increase in employee performance can be achieved with a corporate reward program.**

*2018 Fiserv U.S. Gift Card Consumer Insights Study, October 2018.

**Incentives, Motivation and Workplace Performance: Research and Best Practices, Incentive Research Foundation, January 2010.

Incentivize

Encourage customer loyalty and drive consumer behavior

Reward

Enable spot employee rewards and recognition with ease

Reach

Replace checks and cash for rebate and reward fulfillment

Money Network Everywhere Reward Cards offer you an end-to-end solution that's cost-efficient and easy to manage. Our online storefront keeps everything simple and secure, allowing you to order, fund and distribute cards as needed. Our solution comes backed by our leadership in the prepaid field and technological innovation.

The ultimate open-loop turnkey gift card program for rewards and incentives:

- Save money by replacing cash and check incentives
- Multiple card designs
- Single online storefront for placing orders, funding and reporting
- Drive employee engagement and strengthen customer relationships

More for your customers or employees. Easy ways to receive incentives:

- One-time load cards can be used where Debit Mastercard® is accepted in the U.S., including online¹
- Cardholder funds reside in an FDIC-insured Account¹
- Latest account information available online or through toll-free phone number
- Lost/Stolen card support with live customer agents¹
