The fees for the Employer Program will apply until you upgrade to a GPR - General Purpose Reloadable ("Portable") Program. The Portable Program includes the Monthly Maintenance Fee, will apply if 1) you choose to upgrade to a Portable Account while you are still employed by your current Employer, or 2) you no longer receiving loads from your current Employer and no less than 60 days have passed. For more information, see your Money Network Service Terms and Conditions.

For security and regulatory reasons, we may further limit the number, type, and dollar amount of transactions you may make using your Account or suspend the use of your Account and Card. See moneynetwork.com for the latest transaction limits. Maximum balance on Portable Account is $6000 and only becomes effective if you stop participating in your original Employer program as explained in footnote 1. If your Account is able to receive loads from outside sources while you are in the original Employer program, there is no maximum balance for payroll loads from the original Employer.

The above fees do not include any fee that may be separately charged by an owner or operator of an ATM, POS terminal or any network or other third party used in the connection with the transaction, including any surcharge imposed by an Out-of-Network ATM, Cash Load partner, or Check Deposit partner. The amount of any additional fee is established by the third-party and disclosed at the ATM, POS, or via mobile app. The consent to the charge must be obtained before the transaction must be completed. To find participating In-Network ATMs, use the Money Network Mobile® App (available at the App Store™ and on Google Play™), visit moneynetwork.com or call Customer Service.

There is no fee for cashing Money Network Checks at participating locations. Certain of those locations will cash Money Network Checks up to $5000.00 per check. Other check-cashing locations may impose higher or lower limits, but you may not use multiple Money Network Checks at any check-cashing location, and multiple Money Network Checks in one day, may not be made payable for more than $9999.99. To find participating locations, use the Money Network Mobile App (available at the App Store and Google Play), visit moneynetwork.com or call Customer Service.

If an International Transaction (Non-U.S.) at the POS or an ATM is converted to U.S. dollars, before it is entered into the card association networks, the conversion rates, fees and charges of the entity that did the conversion will apply. Otherwise, the International Transaction at the POS or an ATM requiring a currency conversion, a Currency Conversion Fee of two percent (0.02) of the converted funds will be assessed. Provided that an International Transaction made outside of the United States and the U.S. Territories is not assessed a Currency Conversion Fee under the immediately preceding sentence, then there will be a Cross Border Fee of eight tenths of one percent (0.08) of the transaction amount assessed. See "International Transactions" in your Money Network Service Terms and Conditions for more information.

Your wireless carrier’s standard messaging and data rates may apply

First two ATM Debits (In-Network, Out-of-Network, & International) per calendar month are waived if you live in CT or FL. Additional occurrences of these transaction types during the same calendar month may result in a fee being assessed as outlined in the fee schedule above.

One expedited card provided at no charge, per calendar year.

Signature and Bank Teller Over the Counter Cash Withdrawals are not available on STAR-branded cards.

ACH is assessed when transaction is successfully initiated. Please contact the number of the bank of your card if assistance is needed with returnedACH transactions. Refer to your Money Network Terms and Conditions for unauthorized or unrecognized transactions.
